Richelle Report:

Band camp is underway and going well. Richelle has decided to hold practice on the last Friday. They have good solid pieces of music for this year. Richelle will probably be coordinating additional rehearsals before the school year begins. Pictures will be August 5, at 12:45. They will be attending meet the team on August 15. The band will not be performing at the two scheduled scrimmages.

Erin Beebe updated on the patron letters. She mailed out 195 letters this year. This year, Erin excluded businesses that have never responded, and added additional businesses. Erin discussed Homecoming which is October 2. The last home game will be senior night. She again mentioned the slideshow for Mrs. Bennett, and that she would assist with creating the slideshow.

The fundraising events were passed out and reviewed by Deb Ritchey. Deb passed around information about a calendar fundraiser for next year because it was too late this year. The Zap-a-Snack fundraiser was passed around to review and some minor changes were made. The band officers will be assisting with selling popcorn, donuts, and glow sticks this football season. The money for these three items will be recorded and kept separate. Attending the Cross Country Invitational to sell popcorn was also discussed. Mindy Scurlock and Tracy Gibbs will be attending to sell popcorn. Raffle for Rhythm dates were discussed and decided on. The raffle will start the night of the Spaghetti Dinner, October 26 and end on March 7. Last year the band made \$709 from the raffle. Sam Davis will look into having the tickets donated for the raffle this year.

Roshanee reviewed the third quarter signup sheets for the meals. Roshanee came up with meals for all the games. She will be cooking the first and last game, and Mindy Scurlock will be cooking for the September 11 game. Right now she October 9 and September 18 are still open. Tracy will put the open dates on the website so people can volunteer to fill in.

Erin Beebe was going to look into some ideas and thoughts for decorating the band and choir lockers for the kids this year. It would be nice to have this done at least for the high school kids and if all goes well for the junior high as well next year. The Band Boosters discussed supporting the seniors by displaying photos of all the seniors on "Senior Night"

We will be having an impromptu meeting and work session on October 19 to check the progress of the spaghetti dinner.

Ron and Tracy Gibbs would like to purchase the tie down straps from the band boosters that are no longer needed due to having the pavilion. They would make a donation to the band boosters for the straps.
