July 18, 2016

Dear Mapleton Community,

The Mapleton Music Boosters are reaching out to our local community, both businesses and residents in the hopes that you will consider becoming a Music Booster Patron. As a patron your name will be included in the Fall and Winter Sports Programs, all Music Department Concert Programs, and on the Mapleton Music Boosters Web-Site. These donations help ensure the ongoing financial support of the program in years to come.

Due to contributions from community members and families, the Mapleton Music Boosters are able to supplement our Music Programs in many ways, such as the repair and replacement of instruments, providing food and supplies for band camp, scholarships for members of our programs, awards banquet for our high school participants, gifts for seniors and contributions to the ongoing uniform and instrument fund. Thank you for your continued support of the music programs at Mapleton Schools. These donations help ensure the ongoing financial support of the program in years to come.

Recent purchases for the Music Department include a set of timpanis, the repair of a baritone, the purchase of a tuba mouthpiece and the repair of another tuba. It is because of the generosity of our family and community that we can do these things. Thank you for your consideration and your support of the students in the Mapleton Music Programs.

Sincerely,

Mapleton Music Boosters

Mapleton Music Boosters 2016 – 2017 Annual Patron Drive
